REVISIONS: Revisions to this route, load height, or date of move requires a new form to be forwarded by email. A minimum of 72 hours in advance of the scheduled high load move is required for processing of the revised form.

CANCELLATIONS: EQUS requires a minimum of 72-hours-notice of high load cancellations. If adequate notice is not provided by the high load company, EQUS will notify the high load company that a \$500 fee has been applied. The fee will be required to be received in the EQUS office prior to EQUS completing any further work required by the high load company.
