Executive Service for the Executive Class PARK2GO Steps It Up

PARK2GO is Calgary International Airports only off-site valet parking service. The company prides itself on making parking the fastest part of its customer's trip by assisting them with luggage and getting them to and from the airport in nine minutes. PARK2GO is the Canadian leader in integrating the latest valet parking technology enroute to providing customers with fast, efficient and affordable parking solutions.

More than a year after it started operations as Calgary International Airports only offsite valet parking and shuttle service, PARK2GO has completely upgraded its service. It is the first Canadian company to install AVPM, a state-of-the-art parking solution.
